We assure you that your product will be repaired free of charge subject to the terms and conditions specified in this certificate for 2 years from the date of your purchasing.

1. During the warranty period, in the event product defects arise notwithstanding normal usage in accordance with the instruction manual and the warning label attached to the product, such products will be repaired without charge. If your product is in need of repair, please bring it to the dealer from which you purchased it, along with this warranty certificate and the receipt that was issued when you purchased it. However, as a general rule this warranty will not cover expenses that are not directly related to actual repair work, such as transportation costs and installation or removal costs.

2. In the following cases, repair expenses will be charged to you even for products within the warranty period.

(1) If this warranty certificate and the receipt that was issued on your purchase are not presented.

(2) If the date of purchase, customer's name, and dealer's name on the warranty care are not fully completed.

(3) If the model or serial number on the warranty certificate do not match with your product, or if such numbers have been altered.

(4) If the product has been broken or damaged by misuse, or improper repair or modification.

(5) If the product has been broken or damaged by transportation, removal, or dropping after your purchase.

(6) If the product has been broken or damaged by natural disasters such as fire, earthquake, wind, water and thunder, or from abnormal voltage or use of power sources other than those designated (e.g. voltage, frequency, etc.)

(7) If the damage arises from wear and tear of consumable parts.

3. The above terms & conditions only valid in the area of Chinese Mainland, exclusive of Hong Kong, Macau and Taiwan.
